B.E. Electronics and Telecommunication Engineering

SKILLS

Technical Skills	Java, HTML, CSS, JavaScript, React, Python, OOPS, MongoDB, Firebase
Dev Tools	Windows, Git, Github, VS Code, PyCharm
Language	English, Hindi

PROJECTS

MoneySprint : Developed a full-stack expense tracking application using React.js for the frontend and Firebase for the backend. The application allows users to efficiently monitor their expense by logging expenses, visualizing expenditure patterns through interactive charts, and leveraging speech input functionality for seamless data entry. ([Try it here](#))

Technologies: React.js, CSS, Firebase, SpeechRecognition API, Chart.js, Material UI

LetterBox : Developed a cross-platform web application that facilitates the analysis of India's budgetary data by ingesting CSV files containing comprehensive financial information. Leveraging HTML, CSS, and JavaScript, the application presents a user-friendly interface that categorizes budgetary allocations across sectors, enabling stakeholders to gain valuable insights. Furthermore, the application was converted into an Android Package Kit (APK) through a web-to-app conversion platform, allowing users to access budgetary insights conveniently on their mobile devices. ([Try it here](#))

Recipe Shower : Developed a comprehensive recipe website dedicated to showcasing the vibrant and flavorful cuisine of India. The platform features an extensive collection of authentic recipes, detailed ingredient lists, and estimated preparation times, enabling users to explore and recreate traditional Indian dishes with ease. Implemented Firebase Authentication to provide a seamless and secure login experience, allowing users to access personalized features and content. ([Try it here](#))

POSITION OF RESPONSIBILITY

Google Developer Student Clubs TCET

Marketing Member

2022 - 2023

- Spearheaded sponsor acquisition initiatives, successfully securing financial backing from reputable organizations to support GDSC events accommodating 200-300 participants.
- Leveraged strong communication and negotiation skills to foster lasting relationships with sponsors, ensuring their continued support and investment in GDSC initiatives.
